

Key to a Greener Earth

Green Earth Key Cards

First ever bio-degradable key card!

Green Earth Key Cards are an environmentally friendly alternative to the traditional plastic hotel key card. **Pineapple Hospitality** is pleased to offer these beautiful, durable, and reusable cards.

Green Earth Key Cards now include in your choice of two eco-friendly materials—bioPVC or reNEW for the same low price!

All Green Earth Cards offer:

- excellent print quality
- available in CR-80 (standard size) and CR-50 (narrow size)
- are easily customized for your property's graphic standards
- an excellent public relations tool for your brand

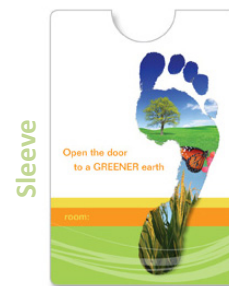

Key card made from bioPVC®

- 100% biodegradable key card
- Fully customizable for your property
- Appearance and performance identical to ordinary key cards

Key card made from recycled plastic

- 100% recycled PVC Key Card
- Front surface coated with white soy-based ink*
- Accommodates exacting design requirements
